01

Fold the paper in half.

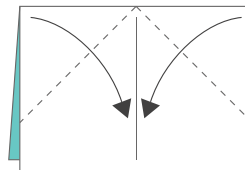

02

Fold the paper again in half to create a centre-line mark.

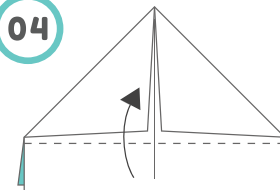

03

Fold the two triangle corners to the centre-line.

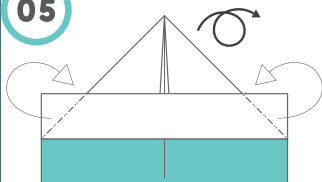

04

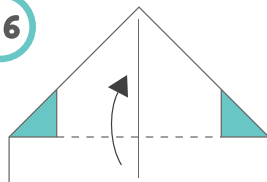

Fold the bottom flap along the dotted line.

05

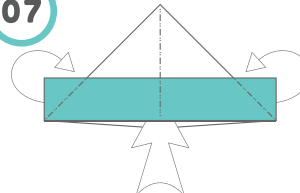

Fold both the triangle corners of the flap along the dotted line.

06

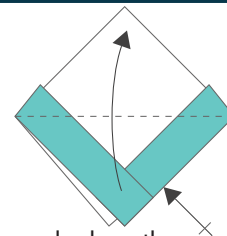

Turn the paper and repeat steps 04 and 05, and then press the edges firmly.

07

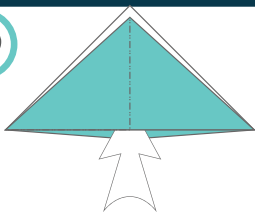

From the middle-fold pull the paper outwards gently to form a square.

08

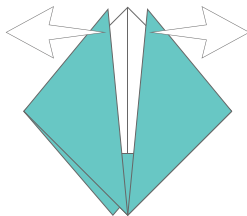

Fold upwards along the dotted lines on both front and back sides of the paper.

09

From the middle-fold pull the paper outwards gently to form a square just like in step 07.

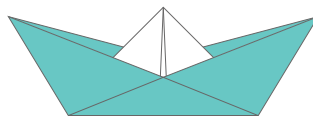

10

Pull the top triangles outwards to both sides.

11

Make sure that the boat is open along the bottom.

Now your paper boat is ready to float!
