

Public Speaking Exposure Activities

Why should students join?

Students who are interested in further refining their public speaking skills will

- Receive public speaking enhancement training
- Practise for public speaking contests
- Apply the skills learned in speaking-related activities

Public Speaking Exposure Activities

Students will be challenged to work on the following public speaking techniques:

1

Finding the right speech topic

2

Developing styles and non-verbal communication strategies

3

Using rhetoric devices, etc.
